### Forward-Looking Statements

Some statements in this supplement may be “forward-looking statements” for the purposes of the Private Securities Litigation Reform Act of 1995. In some cases, forward-looking statements can be identified by words such as “believe,” “expect,” “anticipate,” “plan,” “potential,” “continue” or similar expressions. Such forward-looking statements are based upon current expectations and beliefs and are subject to a number of factors. These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those indicated in the forward-looking statements, including but not limited to: events or conditions that affect the building and manufacturing industries in general and the Company in particular, such as general economic conditions, employment levels, the ongoing effects of the current pandemic, interest rates, inflation, costs of energy, weather, strikes, international unrest, terrorist acts and other factors; competitive, regulatory and market conditions, such as changes in choices regarding building materials by architects and builders and packing products by industrial firms; the performance of new products and the continued acceptance of current products in the marketplace; the execution of strategic initiatives and alliances; and other important factors disclosed previously and from time to time in the Company's Annual Report and accompanying material. Therefore, the reader is cautioned not to rely on these forward-looking statements. The Company disclaims any intent or obligation to update these forward-looking statements.
